### Community Sign in Clifford

A community sign has been installed in Clifford as part of the Board of Supervisors' placemaking efforts.

Citizen Jake Garland and the Amherst County Community Development office worked on the sign's design. The sign features silhouettes of a golfer and a church. The images were chosen to commemorate the beautiful golf course nearby and the numerous churches in the area. The sign is part of a major branding effort that the County initiated that is consistent with a County logo, similar color palates, and consistent font usage.

The sign is located on Route 151 near Winton Golf Course. The Clifford sign is the third sign installed since 2021. The others are located in the villages of Lowesville and Elon.
